SEPTEMBER 2016

GREETINGS FROM THE ADMINISTRATOR

We feel so blessed to have been able to enjoy such a wonderful summer. Our days were filled with fresh air and sunlight on our faces. We are excited about the Fall as with it comes some of our favorite activities. The kids have joined us again in the pre-

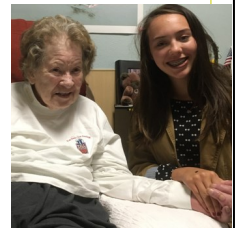

school and we have a new teacher this year. Please stop by and welcome Tandra Thompson. We are still extra busy with the construction next door and the boiler replacement project is nearly completed. The sidewalk repair project is still ongoing and you may have noticed extra faces as

we are tentatively moving forward with addressing the rivers of water leaking from the walls in the Great Room. Thanks for all of your continued patience through the chaos.

Happy
Fall!

Looking Forward

Every year we look forward to collaborating with the senior agencies in Ketchikan for the annual BINGO gathering which is graciously hosted by Peace Health New Horizons. This year Senior Bingo is scheduled for September 30th at 6:00 p.m. Please see Hilary if you can volunteer or if you have any items you would be willing to donate. The residents really look forward to the wonderful prizes they win.

ALLEN MARINE TOUR

Resident Louise Laine and friend Carolyn Seabright enjoy the view.

Special thanks again to Allen Marine Tours and the folks at Holland America Princess Tours for providing the residents with such a fun summer adventure. The residents look forward to it every year and appreciate being on the water

just as many of them spent time in their youth either working or recreating along the Inside Passage. What a treat to visit with old friends and share a picnic while watching eagles and boats and the new views of the Ketchikan waterfront.

SENIOR PICNIC REDUX

Just as previously reported in last months newsletter, the weather did not cooperate this year for our annual picnic and for the first year ever we held the picnic at the Plaza Mall thanks to very the gracious Mall management and a quick thinking volunteer crew.

As promised though, our fearless activity director along with new recruit and volunteer Jaret Warstler waited for a day when the weather was improved and went for the annual dip in the lake which the residents were thrilled to watch from the comfort of their warm and dry seats.

FUNDRAISER SUCCESS

As those of you who have witnessed the madness first hand can attest, the KPH garage sale is organized chaos and so much fun for the residents to host each year. This year the KPH Resident Council received a lovely donation of a motor home.

It was part of our silent bidding portion of events and thanks to this gift the residents had their best fundraiser to date and they are thrilled. This fundraiser would be impossible without all of the dedicated volunteers. Thank You Ketchikan!

BACK TO SCHOOL

It is that time of year again! The residents have spent a quiet summer without our preschool and we are so excited to welcome teachers, Tandra Thompson and Sarah Huerta and their troops back to the building.

The residents are looking forward to our weekly story time with the kiddos on Fridays at 10:15 a.m. We also love arts and crafts with

the students and the way they make the Holidays so much fun. We can't wait to hear all about their summer break, see how much they've grown, and meet all of the new students.

HAPPY SCHOOL YEAR PRE-SCHOOL STUDENTS! WE'RE SO GLAD YOU ARE HERE!

MISSING YOU

August has been an especially painful month as we have lost three dear friends. Al Slagle passed away on August 2, Joyce Haynes passed away on August 26th, and Mary Stachelrodt passed away on August 28th. Our thoughts are with each of their beloved families, may memories bring them comfort during such difficult days.
